SAFETY
SCHEMES IN
PROCUREMENT

...making excellence a habit.™

Certificate No: OHS 506223

Registered Scope:

Head Office: Business Directorate, Performance Management, Management Systems, Pre-qualification and Tender Support.

The construction and maintenance of highways, airfield pavements and other paved areas, infrastructure, civil engineering works and associated activities including principal contractor and contractor duties.

Manufacture (on site) and laying of bituminous materials including the management of associated civil engineering work.

Manufacture and construction of cementitious based materials.

The production and supply of cold recycled bound materials and hydraulically bound materials.

Road planning activities.

BSI also confirms as a registered member of the Safety Schemes in Procurement Forum, that the organisation has demonstrated its compliance with the core criteria for organisational capability as specified in Appendix 7 of SSIP's terms of reference for all relevant duties as detailed within the scope above.
