

Certificate of Approval

This is to certify that the Management System of:

Tarmac Cement and Lime Ltd

Portland House, Bickenhill Lane, Solihul, West Midlands, United Kingdom

has been approved by LRQA to the following standards:

ISO 9001:2015, ISO 14001:2015, ISO 50001:2011

David Derrick

Issued by: Lloyds Register Quality Assurance Limited

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

Current Issue Date: 8 February 2017
Expiry Date: 11 July 2018
Certificate Identity Number: 10010978

Original Approvals:
ISO 9001 29 September 2011
ISO 14001 29 September 2011
ISO 50001 29 November 2013

Approval Numbers: ISO 9001 00007555, ISO 14001

The scope of this approval is applicable to:

The development, testing, manufacture, storage and distribution of cement, blended cements and cementitious products, including quarrying, blending and both road and rail loading operations. The manufacture of lime, chemical stone and aggregates including associated quarrying and uploading operations. Production of limestone powders. The sourcing, processing, analysis and provision of waste derived fuels and materials. The landfill of hazardous and non-hazardous waste. The development and manufacture of cement/pulverised-fuel ash blends, and pulverised fuel ash to British Standards and customer agreed specifications. The operation of dredging vessels for the supply of aggregates.
